Re: 07-CV-06294 - Request for Adjournment

Dear Judge Cote:

I write to request adjournment of the initial pretrial conference in *Corbis Corp. v. NIIT Ltd*, Case No. 07-CV-06294, scheduled for October 31, 2007 at 2 P.M. I am currently serving as a juror in a California trial expected to continue through October 31; I am therefore unable to appear before this Court at the initial pretrial conference. In addition, the parties have recently agreed to engage in mediation in the hopes of resolving this matter without further litigation.

No previous requests for adjournment have been entered in this action, and counsel for Defendants NIIT Ltd and NIIT (USA), Inc. has consented to this request. Counsel will be available to attend an initial pretrial conference on the afternoons of January 4, 11, or 18, as well as February 8 or 15.

Thank you for your consideration of this request.

Sincerely,

FENWICK & WEST LLP
